EMPLOYEE ENGAGEMENT OPPORTUNITIES

At United Way of Greater St. Louis, we recognize that your employees are the number one asset at your company. Engaging them in your philanthropic and community outreach efforts can be key to bolstering recruitment, retention, productivity and brand favorability, ultimately boosting your company's overall performance. Our team understands how challenging these engagement initiatives can be and we are here to assist. Through collaborative efforts with key partners like you, our team is already helping to introduce custom opportunities that foster a greater sense of belonging and purpose among employees in alignment with corporate impact goals.

Expand your team's knowledge of United Way and the impact of their support in our community through educational opportunities, including:

- Lunch & Learn sessions
- Community Impact presentations added to your internal or executive meetings
- New hire education resources
- Onsite United Way Open House

Our team members will provide an overview of our combined impacts in the community and ways to get involved, tailored to specific groups or formats to address your organization's needs.
