 SOCIETY**

HELPING PEOPLE

Your generosity ensures our region has a safety net of stable nonprofits poised to answer the call of our neighbors in need. Leadership Giving Societies have helped United Way create an infrastructure for our community to lean on in times of disaster and crisis. With your support, we can continue ensuring that when people need food, shelter, care, counseling or respite, we are there to help.

By answering the call to help their neighbors in need, Leadership Givers make a difference every day throughout our region. Through a gift of \$1,000 or more, Leadership Givers make our community safer, healthier and better equipped to take on the future. Join the more than 7,000 United Way Leadership Giving members and become part of our region's most committed philanthropists helping people live their best possible lives.

A COMMUNITY FOR EVERYONE

As a Leadership Giver, you are eligible to join one or more of our Leadership Giving affinity groups:

Women's Leadership Society believes there's a real thrill to being part of something that helps to improve so many people's lives in the St. Louis region. We use the power of our community to bring driven women together to address social issues and work to create a solid foundation for our region.

Charmaine Chapman Leadership Society embodies the culture of caring and giving in the Black community. We empower our members to lift one another and answer the call to make St. Louis a better place to live for everyone. It's a part of our culture that to whom much is given, much is expected.

Multicultural Leadership Society celebrates our region's diversity by engaging and uniting individuals from all cultures who value the importance of philanthropy. We're working together to create a community where children and families thrive, neighbors care for each other and we are proud of the quality of life enjoyed by all.

Men's Leadership Society brings together members from across our 16-county region to create a unique community of philanthropists dedicated to making our community a better place for all. Members have the opportunity to build relationships with other passionate, community-focused philanthropists.
