WELCOME TO THE CLUB

There's power in being part of something that helps to impact so many people's lives in the St. Louis region.

Women's Leadership Society (WLS) is a growing community of 3,000 women who collectively give their time, talent and treasure to help people in the St. Louis region.

We celebrate over 25 years of bringing committed and passionate women together to address social issues and work to create a solid foundation for our region. And, this impact is incredible – since its founding in 1996, WLS has raised nearly \$123 million.

By answering the call to help their neighbors in need, WLS members make a difference every day throughout our region. Through a gift of \$1,000 or more, you can make our community safer, healthier and better equipped for future generations.

HELPING PEOPLE

Your generosity ensures our region has a safety net of stable nonprofits poised to answer the call of our neighbors in need.

The Women's Leadership Society has helped United Way create an infrastructure for our community to lean on in times of disaster and crisis. With your support, we can continue ensuring that when people need food, shelter, care, counseling or respite, we are there to help.
